Mead Lumber Celebrates Grand Re-Opening of Liberal Location on December 6th

Liberal, KS – Mead Lumber, one of the largest 100% employee-owned building materials dealers in the United States, is excited to announce the grand re-opening of our Liberal, Kansas location on December 6th at 11:00 AM. The event will feature a ribbon-cutting ceremony in partnership with the Liberal Chamber of Commerce, followed by a community lunch to celebrate this significant milestone.

With 54 locations spanning nine Midwestern states, Mead Lumber takes pride in providing specialized products and services to our customers. As part of our commitment to “Investing Where We Live,” we have made substantial improvements to our Liberal facility. Our focus was on modernizing the exterior to align with our new company-wide rebranding effort and expanding our showroom and retail space to offer a wider selection of products tailored to the community’s needs.

The Liberal location has been a cornerstone of Mead Lumber's success, and these enhancements are a testament to our long-term dedication to the area and its residents. We invite everyone to join us on December 6th to experience the new updates firsthand, celebrate with us, and enjoy lunch together.
